IDEC 2004 India Website

Dear All

This is to announce that the website www.idec2004.com is up and we will add details as we go along.

It will be great if you could go to the [registration](#) page where there is quick survey form. Could you send that in by Sat please, or as soon as you can. We are having a meeting on Sat at 4.30 pm IST (Indian Standard Time) and it will be nice to have some show of interest by then.
